Back-up Materials for Central Section CIF Board of Managers Meeting

IX. CIF Central Section Non Action Items, First Readings, Information

a. Winter Division Placement 2017-2019

Proposal will be handed out at the Board of Manager's Meeting

X. CIF Central Section Action Items:

a. Cross Country Advisory Report:

Proposal 1. Passed unanimously

The Sectional Championship will include a RESERVE RACE for the alternates to the championships. The schools will pay an entry fee for the alternates and the alternates will need to wear their assigned bibs to check into the race. The clerks will check in the runners of the race to make sure only registered runners are in the race. No awards will be given in the race.

Wednesday morning, I was informed by the CIF that this is contradictory to the rule and cannot be implemented this year.

This proposal will change rule 3.1.2 of Cross Country Governing Rule, Italicized addition:

3.1.2

Entries- Varsity boys and girls only. A team will consist of 5 to 7 runners from any one school of boys and girls. Entries of less than 5 from one school will be considered individual entries, and will compete only for individual awards. Their order of finish will not be considered in the team scoring. *The alternates to the Varsity Race may run in the Reserve Race. The team will be charged the entry fee for their alternates.*

Proposal 2. Passed. High Desert was the dissenting vote.

The time schedule for the Sectional Championship will be the same order as the State Championship.

This proposal will change rule 3.1.7 of Cross Country Governing Rule, Italicized addition, cross out deleted:

Time schedule. ~~The time schedule for the Sectional Meet will be as follows: 11:00 AM D 5 Girls; 11:30 AM D 4 Boys; 12:00PM D 5 boys; 12:30 PM D 4 Girls; *1:00 D 3 Girls; 1:30 Reserve race; 2:00 D 3 Boys; 2:30 D 1 Girls; 3:00 D 2 Boys; 3:30 D 2 Girls; 4:00 D 1 Boys. *Rotate last three divisions each year.~~ *The first race for the Sectional Meet will be at 11:00 AM. The order of the races will be the same as the order California State Championships.*

This schedule would be implemented this year, since the State Meet schedule for 2016 doesn't contradict our Governing Rules. The schedule for 2016 will be:

11:00 Division IV Boys; 11:30 Division V Boys; 12:00 Division IV Girls; 12:30 Division V Girls; 1:00 Division 1 Boys; 1:30 Division II Girls; 2:00 Division III Boys; 2:30 Division 1 Girls; 3:00 Division 2 Boys; Division 3 Girls.

Note that there is no reserve race for 2016.

Proposal 3. Passed unanimously

Entry Fee Schedule. After discussion, the original proposal was modified to \$6.00 per athlete with a maximum of \$300. This fee schedule will be included in the Playoff Procedures of the Rules and the General Rules section of the Governing Regulations. Therefore, we will add section 1.9 Entry Fee. Italicized addition, cross out deleted:

1.9 Entry Fee. Entry fees are \$6.00 per individual and \$300 maximum per school

and we change 3.1.5 of the Regulations to:

3.1.5. Awards. Entry fees are \$6.00 per individual and ~~\$180~~ \$300 maximum per school. (See CIF Central Section Awards Chart in back of Constitution and By-Laws.).

If proposal 1 and proposal 3 both pass the Board of Managers, then

3.1.5. Awards. Entry fees are \$6.00 per individual *including alternates* and ~~\$180~~ \$300 maximum per school. (See CIF Central Section Awards Chart in back of Constitution and By-Laws.).

Proposal 4 Passed unanimously.

We propose that for Cross Country only, for the Central Section, we revert back to divisional placement strictly by enrollment. The Central Section will place the largest 25% of schools larger than an enrollment of 600 in division 1, the second 25% in division 2, the third 25% in division 3, and the fourth 25% plus the extra schools into division 4, with the extra schools into Division 4. All schools with an enrollment less than 600 will be placed in Division 5.

Below is a table of the proposed divisions IF WE WERE TO USE THE PRESENT CBEDS which of course changes year to year. CBEDS taken from CIF website. There are 78 schools above 600 enrollment, $78 \div 4 = 19$ r. 2 there below would be an example of the proposal.

This proposal follows closely the procedures used by San Diego, Southern, & Los Angeles Sections. San Diego evaluates their divisions annually and this is the procedure our Advisory Committee would like to follow.

The discussion was lengthy. It was pointed out that none of the other nine sections used competitive equity in cross country by many of the sections use competitive equity in their other sports.

There were actually two votes. The first vote was should our section use enrollment to determine the five divisions. That passed unanimously. Then the second vote was to decide which process should we implement. The vote was whether to imitate the Sac-Joaquin's method for determining divisions or the San Diego method. The Advisory Committee voted unanimously for the San Diego method.

b. Wrestling Competitive Equity Proposal:

The proposal is to make Wrestling in the Central Section into a Competitive Equity Model. There would be Three Divisional Meets, North, Central and South and would eliminate the Sierra/Sequoia Meet. Each Area Meet would be a 32- man bracket, in which all schools would receive one entry in each weight class. This proposal will give all schools large, medium and small the same opportunity to gain entry into the Grand Masters Meet. There will be a set amount of automatic qualifiers out of each Area Meet, with the additional entries being awarded by success by an Area in the two previous Grand Masters Meet. The spots will be given to Areas based upon the number of medals achieved at the Grand

Masters.

c. Track & Field Competitive Equity Model:

The proposal is to make Wrestling in the Central Section into a Competitive Equity Model. There would be Three Divisional Meets, North, Central and South and would eliminate the Sierra/Sequoia Meet. The qualifying Details for the Grand Masters will be developed by the Track Advisory.

d. Proposal to make Girls Volleyball Championships at a single site venue a permanent concept:

After completing two very successful years under a pilot program, the section office is requesting to make the Girls Volleyball Championships at a Single Site Venue a permanent Concept. Below are the payouts to school from the last three years. This 2014-2015 payouts were at individual school sites.
