THE FEDERATED COUNCIL**

30. MEMBERSHIP

The governing body of the California Interscholastic Federation shall be known as "The Federated Council." The Federated Council shall consist of representatives elected from each Section, a representative from the State Department of Education, representatives from Allied Organizations selected by those organizations, the President, President-Elect, and immediate Past-President of the Federated Council.

- A. Representatives elected from each Section shall be elected to hold office for two (2) years. If a Section has more than one (1) representative on the council, the terms will be staggered.

If the status of the representative changes in such a manner so that the representative is no longer in an active role that truly reflects the general membership of the allied organization, the organization must replace the representative with one who is in such a role in order to have full voting representation at the Federated Council. Allied Organizations will certify that representatives comply with this Bylaw and send such certification to the State Executive Director by August 15 of each year.
